

Dining Room Safety Procedures

Thank you for joining us today. Your comfort, health and well-being are important to us. Please note the extra precautions we're taking on your behalf:

- **Lobby:** Seating arranged for proper distancing. Please maintain 6-foot spacing
- **Hand sanitizer:** Available for use throughout the restaurant
- **Face coverings:** For your safety and others, please use one when not seated or eating (need one, just ask)
- **Seating:** No more than 5 guests permitted, per table; bar rail seating closed
- **Tables:** Spaced a minimum of 6-feet apart; or separated barrier
- **Capacity:** Limited indoor & outdoor seating in accordance with current government guidelines
- **Menus:** Single use then recycled
- **Guest Contact:** Limited interaction & table touch points in serving guests
- **Sanitization:** Enhanced cleaning & sanitizing throughout the restaurant
- **Take-Out:** Please wait in lobby, or outside, for to-go order
- **Order options:** Order ahead, minimal contact curbside pickup and delivery still available
- **Employees:** Screened daily and trained with extra safety in mind

If you have any questions, please speak with a manager.
